

Health Insurance Policy

NovaBridge Technologies Inc. | Last revised: January 5, 2026 | Owner: People Operations

1. Overview

NovaBridge Technologies Inc. offers a group health insurance plan to eligible employees as part of the total benefits package described in the Employee Handbook, Section 3.8 (Employer Benefits).

2. Eligibility

Full-time employees become eligible for health insurance coverage on the first day of the month following their start date. Dependents (spouse, domestic partner, and children up to age 26) may be added during enrollment or a qualifying life event.

3. Plan Options

- PPO Plan: Higher monthly premium, lower deductible (\$500 individual / \$1,000 family), broader provider network.
- HDHP with HSA: Lower monthly premium, higher deductible (\$1,500 individual / \$3,000 family), paired with a Company-funded Health Savings Account contribution of \$500/year for individual coverage or \$1,000/year for family coverage.

4. Company Contribution

NovaBridge Technologies Inc. covers 80% of the employee premium and 60% of the dependent premium for both plan options. The remaining premium is deducted pre-tax from the employee's paycheck.

5. Enrollment

1. New hires must enroll within 30 days of their eligibility date, or coverage defaults to a waiting period until the next Open Enrollment.
2. Open Enrollment occurs each year in November, with coverage effective January 1.
3. Qualifying life events (marriage, birth/adoption of a child, loss of other coverage) allow enrollment changes within 30 days of the event.

6. Additional Coverage

- Dental Plan: Covers preventive care at 100%, with basic and major services covered at 80% and 50% respectively after deductible.
- Vision Plan: Annual eye exam and allowance toward glasses or contact lenses.

- Life Insurance: Company-paid basic life insurance equal to 1x annual salary, with the option to purchase additional supplemental coverage.

7. Leave of Absence

Health insurance coverage continues uninterrupted during approved paid leave, including parental leave, as described in the Parental Leave Policy. During unpaid leave, employees may continue coverage by paying their portion of the premium directly to People Operations.
